

CONCEPT DOOR SYSTEMS

CONCEPT SERIES

Our new Concept series doors offer flexibility and versatility. Bypass, wall mount and pocket installation options bring quality hardware and smooth operation to your specific application. Choice of 1-, 3- or 5-insert panels opens design possibilities. Fifteen glass insert options include clear, satin, mirror, white and colors. Ordering guide is on pages 5 & 6.

SERIES 15-2 BYPASS

Daiek Door Systems manufactures and distributes **Concept Series doors, mirror closet doors, glass shower enclosures** and **metal bifold doors** in the USA. Innovative design, outstanding quality, and sensitivity to customer need have allowed Daiek to proudly create doors for residential and commercial use since 1963.
